Dana, Please get snapshots of the following samples and send to the client contacts on this e-mail. Make sure the pictures show both the label and a good picture of the actual sample. Thanks!

TestAmerica will be observing the President's Day holiday on February 16, 2015. We understand that the holiday is not commonly observed by our customers and have made provisions to have limited staff available for service continuity. As we lead up to the holiday, please work closely with your Project Manager to account for any special arrangements. Samples with short holding times that will arrive on Monday 2/16/15 should be pre-arranged with your Project Manager.
